### TESTIMONIAL

"ESQ 165 balances the spiritual, emotional, and intellectual aptitude and attitude in me. It fits nicely in the total training philosophy of interfacing work, life and learning. I am truly impressed despite my 28 years experience in human capital development. It's a mind opener." **Roslina Razak, Vice President 1, Sime Darby Business School**

"Ary and his ESQ Model have created a line connecting the spiritual intelligence and the real or business world. Although Ary's ESQ uses Islamic concepts, yet it welcomes all religions. The ESQ book opens up Islam for me and others like me in the West." **Danah Zohar, author of Spiritual Capital.**

"ESQ Leadership Seminar 165 merupakan satu juadah santapan yang paling diperlukan oleh setiap kita yang sedang memburu kebahagiaan sejati dunia dan akhirat. Sentuhan ESQ 165 mengantar kita untuk mengenali diri kita sebagai ciptaan Allah yang hebat dan menyalakan rasa terhubung yang sangat indah dengan Pencipta. ESQ 165 membimbing kita untuk menikmati kehidupan dengan penuh sedar akan cinta ilahi yang paling halus dan kudus, memerdekakan hati dari belenggu yang mengurung dan membatasi potensi diri untuk memburu kecemerlangan, kembali kepada fitrah sebagai makhluk Allah yang terbaik. Pendekatan ESQ 165 yang menggabungkan sentuhan sains dan spiritual yang mantap amat mampu membina keyakinan yang kental pada tahap IQ, EQ, dan SQ sehingga terbangun kekuatan hati yang sejati." **Dr. Rubiah K Hamzah, Pakar Motivasi, Malaysia**

"I have had formal training on various kinds of learning. I had once seek religious knowledge and had continuously practiced the good deeds (amal) from the classes I attended. Then I was busy climbing the corporate ladder until I missed the pure feeling of happiness when you feel and aware that God is helping you in your every conduct-God even suppress your words so as not to be blurted out when you have the temptation to say something damaging. Three days in ESQ Seminar gives me back the feelings. It is so serene. I realized my habitual conducts have changed abruptly. From my experience and knowledge in human resource development, ESQ Seminar is indeed a transformational learning, a learning experience that is capable to transform people which normally occur in real life situation such as being diagnosed with cancer, or lost of someone dear." **Nor Aliza Abd Latif, Senior Manager, Human Resource Planning TNB**

"ESQ merupakan satu teori pembangunan sumber daya manusia dan pengetahuan yang sepatutnya dilaksanakan di dalam negara ini kerana ianya satu ilmu yang mempunyai nilai universal yang boleh difahami oleh semua kaum. Dalam training, ini kita diajar menjadi seorang yang 'zero mind' iaitu membuang sifat-sifat negatif yang ada dalam diri kita. Sekiranya kita tidak 'zero mind', kita pasti tidak akan dapat menjawai segala yang diceritakan dalam training ini. Walaupun kita mempunyai pengalaman, ilmu yang tinggi dan pangkat yang besar, tetapi apabila kita telah melalui latihan 'zero mind' proses, kita akan terus dapat menjawab banyak persoalan yang selama ini kita tidak mampu menjawabnya." **Billie Lim, Writer of Best Seller, "Dare to Fail", Alumni of ESQ KL20, Mission Statement and Character Building**
